4 Irresistible Wide-Eyed Puppies

In Full Color for Your Home

BUCKY

Beautiful and Appealing Original Oil Paintings
Now Yours as Full Color Large Fine Art Prints
ALL 4 ONLY \$1

Just picture these irresistible puppies in your own home. Everyone who sees these appealing waifs fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Gig, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly puppy. Under his sensitive brush, the wonder of puppyhood and the realistic backgrounds combine to give a compassionate glimpse of life. Unfortunately, the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 10"x14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.

MEMBERSHIP — TWENTY CENTS

FIRST PRIZE — \$5.00

REPORTER
CATHY HORNEY
53 Lilian Drive
Scarborough, Ontario, Canada

Dear Archie,

P-Pop! Glup!

Have you ever felt your ears "pop" in an elevator going up and down at sixty m.p.h.? Just last week I whipped up the fifty-five floors of the new Toronto Dominion Bank. My mother, I and my sister climbed the remaining stairs to the 56th floor. We paid our admission onto the Observation Gallery and took our first look out over the city. What a view! I could see for miles and miles around us. It is said that it is possible to see right through to Niagara Falls on a clear day but, that day was rather misty. Oh, and the people were so tiny, the cars were like small, tinkly cars and the busses looked like caterpillars. It was all as if you could push a button and it would go. But the funniest thing of all that happened while we were there was that I only got about fifteen seconds to look through a telescope, for which you paid, while my sister had about a minute!

SECOND PRIZE — \$3.00

REPORTER
REGINA SPILLMAN
22 Sycamore Street
Lexington, N. C.

•Dear Archie,

Two summers ago my mother, my sister and I went to Fairfax, Virginia, to see my

uncle. We stayed there about a month. While we were there I had a birthday. I had a beautiful cake with nine candles. A friend of my uncle gave me a lovely Persian cat for my birthday.

She was wild at the time, but was house trained. When I first saw her I thought she was a gray mountain lion. When we were bringing her home she split open the wooden box that she was in. The rest of the way home she rode on the back of the front seat behind my mother.

When we got home we named her Sheba. Now she's as tame and lovable as any house cat, except she is much bigger than any one I have ever seen.

THIRD PRIZE — \$2.00

REPORTER
THOMAS ANDERSON
208 Richmond Street
Brockton, Mass. 02401

Dear Archie,

I have a pet male bird named Lucky. His color is green and yellow. He likes to bite, but it doesn't hurt. This is how we got him. One night we were going to the Circus. I was in the 2nd grade then. Soon we parked our car. Just then my brother called out, "look, there's a bird." My dad went to get it. At first he was hard to catch. Soon we got him. We brought him in the car. He was bleeding so we put him in a paper bag. My father put little holes in it. We all thought he was going to die. Then we went to the Circus. After that we went home. We brought the bird in. He was alive! We had a birdcage because we had some other birds, but they died. We named him Lucky, because it was lucky we found him.

This month Lucky had his 4th birthday.

FOURTH PRIZE — \$1.00

REPORTER
LILLIAN WONG
 518 Fremont Way
 Sacramento, Calif. 95818

Dear Archie,

I own a cute cat. When my sisters and I first saw her we thought she was a male. We called her Simon. Later it was discovered that Simon was a female cat, but the name stuck.

Simon is a calico cat. She was the only colorful cat in her litter because the rest were white. Mostly Simon sleeps, eats and does crazy things. She has weird ways of getting water. If she is really thirsty then she will jump up on the fish tank and lap up the water. When we lock her in the bathroom she jumps into the bath tub and drinks from the dripping faucet.

I like to watch Simon yawn and stretch. Simon, like other cats, likes to chase balls, string and paper bags. She has the strange habit of nibbling grass, licking dirt and chasing after her catnip toy.

Cats make excellent pets as they are playful, clean and curious. I wish everyone owned a cat.

FIFTH PRIZE — \$1.00

REPORTER
OSCAR C. LUPIBA
 1814 Rogers Street
 San Antonio, Texas 78208

Dear Archie,

Last Saturday Butch, my dog, dashed into the house with such great softness that I knew immediately that he had just arrived from his daily mischief route. Just as sure as anything the phone began ringing. It was Mrs. Jones. She sounded frantic, she said that Butch went into her house, jumped on her kitchen table and took the four-inch thick steak which she was about to cook for her husband. Then she hung up angrily. I called my father and told him what had happened and just as I hung up, Miss Smith phoned. She said that Butch had stumbled into a puddle of muddy water and then ran into her house rolling on her brand new carpet. After that my father came home with a stick to teach Butch a lesson. But I asked him to give Butch a chance and he said all right. Later I remembered about Miss Smith, I told him and this time I know there is no way possible to save Butch from Pop.

Girls! Now Have A Fabulous Figure The 6 Second Way!

It is almost like a miracle. You can actually lose flab around stomach, thighs, waist, hips, neck, face and not move out of your seat. Unbelievable? New scientific tests show that you get faster and better results from Isometrics, the new method of exercise. Another astounding fact is that you do each exercise only 6 seconds a day. No special equipment is required, and you can concentrate on any part of the body that you are interested in controlling.

How-To-Photographs

Every page is fully illustrated with photographs showing exactly how to perform the Isometrics and how to get the best and fastest results.

Designed By Experts

The exercises were prepared under the supervision of Victor F. Obeck, Professor of Physical Education, New York University and Isadore Rossman, M.D., Medical Director, Department of Home Care and Extended Services, Montefiore Hospital, New York.

Excellent For

WAIST • HIPS • TUMMY
DOUBLE CHIN • ARMS
THIGHS • BACK • NECK
FACE • CALVES
BUTTOCKS • BUST • LEGS

A Must For Dieters

You will still need Isometrics even if you have decided to reduce solely by dieting. Because when the fat is gone there will remain layers and layers of loose, flabby, unattractive skin that had been stretched out by the fat. Miracle Isometrics tightens and restores the firmness to the skin and eliminates the undesired flabbiness. Isometrics does it in only 6 seconds a day. Convince yourself. Mail the coupon.
